

Dispensing Physician Registration Renewal Application Instructions

If you have a Dispensing Registration and are NOT renewing it this year, YOU MUST disclose IN WRITING how you disposed of your inventory pursuant to A.R.S. § 32-1871(F) using the Inventory Disposal Form on our website.

ARE YOU USING THE CORRECT FORM?

Use this form if you have an Active 2020 Dispensing Registration and intend to renew your registration for calendar year 2021 *on or before* December 31, 2020.

- This form must be postmarked (or faxed) before close of business on December 31st.
- **There is no grace period** for Dispensing Physician Registration renewals. This means after December 31st your Dispensing Registration will expire and can no longer be renewed.
- **IF YOUR REGISTRATION HAS EXPIRED**, or you have not registered to dispense before, please download and complete the **Initial Dispensing Physician Registration form**. To download the form, go to www.azdo.gov > For DOs > Dispensing Registration > Dispensing Initial Registration Form.

Do You Need a Dispensing Registration?

You do not need a dispensing registration if all you do is write prescriptions and give samples. In accordance with Arizona statutes (A.R.S. § 32-1871) you are required to register with the Board if you dispense prescription-only drugs or devices (excluding samples) to your patients from your office, clinic, or practice location. This law applies only to doctors practicing in Arizona, not to doctors practicing out of state. It does not apply to doctors who may work in large HMO practices or buildings that also have a pharmacy on-site, as long as that pharmacy has a licensed pharmacist and is under the jurisdiction of the Arizona Pharmacy Board.

How to Renew your Dispensing Registration

- Please review your compliance with the requirements for dispensing found in A.R.S. § 32-1871 and A.A.C. Title 4, Chapter 22, Article 3. These Statutes and Rules are available on our website.
- On the accompanying form, provide your name, license number, DEA information and primary dispensing location on the first page of the application.
- Copy page 3 as needed and list all locations where you will be dispensing prescription drugs, devices, and controlled substances.
- For each location, place a check mark next to the descriptions of the prescription items which will be dispensed from that location. This information will be listed on your dispensing registration certificate.
- If you are dispensing controlled substances (scheduled drugs) you must include a photocopy of your DEA certificate for each location at which you are registering to dispense controlled substances. The DEA certificate must show your name and the same registered location(s) you are listing on this form. This is required even if you submitted it last year.
- If you are registered as a non-profit entity with the IRS, attach documentation of your organization's current 501(c)(3) status in order to qualify for the fee waiver.
- You may submit the Dispensing Physician Registration Renewal Application, documentation and fee by regular mail, or delivery service. We do not accept credit card payment by email or fax, however we do accept over the phone payment. Please allow up to 30 days for processing.
- If your dispensing registration renewal is approved, your dispensing certificate will be sent to the email address provided on the first page of the form.
