1. Do you currently have a medical condition that impairs your judgment or adversely affects your ability to practice medicine in a competent, ethical and professional manner?  Yes  No

If yes, please provide an explanation, and if you are currently under a monitoring agreement with another state licensing board, please provide a copy of the monitoring agreement.

The purpose of the confidential question is to allow the Board to determine the applicant's current fitness to perform health care tasks. The mere fact of treatment, monitoring or participation in a support group is not, in itself, a basis of which admission is denied; the Board routinely licenses individuals who demonstrate personal responsibility and maturity in dealing with fitness issues. The Board encourages those applicants who may benefit from assistance to seek it. The Board may limit or deny licensure to applicants whose ability to function is impaired in a manner relevant to the practice of medicine at the time the licensing decision is made or to applicants who demonstrate a lack of candor by their responses. This is consistent with the public purpose that underlies the licensing responsibilities assigned to the Arizona Regulatory Board of Physician Assistants and to the applicants seeking licensure.

**NOTE:** In the event that the response to any of the questions is "Yes", you must file an explanation and submit photocopies of any corresponding documents. Failure to properly answer these questions can result in Board disciplinary action, including revocation or denial of license.

**Proof of Citizenship:** Effective January 1, 2008, based on Federal and State laws, all applicants must provide evidence that the applicant is lawfully present in the United States, pursuant to A.R.S. § 41-1080 and A.A.C. R4-16-201(C)(1) require documentation of citizenship or alien status for licensure. If the documentation does not demonstrate that the applicant is a United States citizen, national, or a person described in specific categories, the applicant will not be eligible for licensure in Arizona.
