A. Kevin McKeown, DO DO-17-0066A License No. 005863

The Respondent was present with attorney Mr. Robert Milligan and Mr. Barry Mitchell and was sworn in by the court reporter. The Interim Executive Director reported that the complaint was initiated because the Respondent wrote prescriptions for himself and his wife using another physician’s DEA number. The Respondent’s attorney is requesting the suspension be lifted early so that his client can sit for the board examination in Emergency Medicine in May.

Attorney, Mr. Milligan, made a statement that if the suspension is still in place on May 8, 2018 his client will not be able to sit for the board examination and will lose his eligibility to be board certified in Emergency Medicine and this would derail his medical practice.

The Respondent made a statement that he will accept what the Board decides, but would like suspension lifted to sit for the board examination.

MOTION: Dr. Cunningham moved to lift the suspension effective immediately. All other terms remain in place. Respondent is required to come before the Board at the tentative October 13, 2018 meeting for an update of his board examination and therapy sessions. Mr. Landau seconded.
