

**The Arizona Medical Association (ArMA) presents:
Out of the Chaos: Recovering from the COVID Pandemic and Preparing for the future.**

This on-line medical education series is a live course that addresses what healthcare professionals need to know regarding the pandemic including the recovery, lessons learned and considerations for the future.

Due to its scale and severity, the COVID-19 pandemic is a timely issue regarding its impact on the practice of medicine. Participants of this on-line course will have the opportunity to hear insights from experts from healthcare organizations around the country.

When: Saturdays in October - 10:00AM - 11:00AM

Where: Zoom Webinar | LIVE Online United States
