(Create free account to access content/ receive credit)

2 CME/CEU, credit hours available for this training series

Eligibility for CME/CEU credit ends 07/2023

Topics covered:

1. Explore data on the impact of Diversity, Equity, and Inclusion (DEI) issues on health care access, experiences, and outcomes.
2. Describe how social and structural determinants of health can explain disparities in disease prevalence and inequities in the recovery continuum.
3. Outline individual, leadership, and organizational strategies for addressing racial equity.

Speakers:

Opioid Response Network: Nicole M. Augustine, MPH; Lawrence Bryant, Ph.D.; Laurie Johnson-Wade, CRS; Troy Montserrat-Gonzales, LPC; Deena M. Murphy, Ph.D.

The American Academy of Family Physicians (AAFP) has reviewed Advancing Racial Equity Training Series (series and enduring material) and deemed it acceptable for AAFP credit. Term of approval is from 06/15/2022 to 06/15/2023. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This training meets the requirements for the California Board of Registered Nurses. Accreditation from the National Association of Social Workers is under review.

This program is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$1,000,000. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.

Funding for this initiative was made possible (in part) by grant no. 1H79TI083343 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
